China Geophysical

Established in 2001, ZFGEO (short for Zhaofeng Sensor Equipment Co., Ltd.) has specialized in the design and manufacture of field-proven geophones & hydrophones, cables & connectors, portable power pack, vibrators and spare parts for seismic contractors and end users of near-surface geophysical exploration worldwide.

95% of our products are exported to the international market. Our regular customers include ENAGEO, DMT, OGDCL, Fugro, Technical University of Crete, etc.

ZFGEO also participates in the EAGE, SEG, AGU exhibitions and it is a great honor to have the opportunity to introduce ourselves to you.
